

Glenn P (GP) MURRAY

Welcome to my cover letter, and thanks for your attention.

Strategic, committed, passionate and collaborative leader ready to join a solid or growing team looking to raise standards and improve operations to scale or increase profit, reform business plans, and/or engage in M&A.

Expert with revenues from \$5MM - \$100MM and growth.

I have worked with start-ups, done road shows and secured financing, led smaller and larger teams worldwide in industries such as:

- Technology
- Legal & Advertising Services
- Hospitality
- Manufacturing & Distribution, and Construction
- Med-tech (medical devices/software)

Whether you are smaller or larger, have complex issues, or just need structure in the Finance department, we will make a plan toward a successful path. Working across departments and divisions is essential to building a cohesive culture and unified focus. I am available to relocate and travel in the US or Worldwide.

Whether our company is rising, needs to scale, or is off course, I am committed to using diverse thinking and solid execution to improve finance and communications. I am also dedicated to achieving and exceeding our goals.

Please feel free to contact me by InMail / Text / Email.

Sincerely,

GP Murray
